STANDARD

School Days! That is the theme of many excited school children now that the term has started again. Of course there are others who are not so elated over the idea of the daily grind. They think the boring life of the holidays is more pleasant but with three new teachers and one grand principal, the year should be packed with fun and homework.

Many of Standard's distant young people journeyed home over the long week end. Among these were CWAC Gwen Southall and Doris Fletcher, Gerhardt Nelson, RCAF; A. Nelson RCA; Miss Elaine Nelson, Miss Leo Larsen, Miss Dorothy Kimmitt, Miss Edith Castella, Miss Joyce Christensen, Miss Mary Smith, Pte. Orla Christensen and Mr Marvin Sparks.

Mr Viggo Nygaard has returned from Rochester and plans to return to his job at Regina.

Mr Elmy Norfott and his fiancée left Sunday, October 8th for Winnipeg where he is working.

Mr and Mrs J. McMenamy announce the arrival of a baby girl on Oct. 1st. Miss Sara Haven returned to Calgary Sunday after spending a two-weeks' vacation with friends at Standard.

The Active Service Club sponsored a dance in the (Standard Community Hall on October 9th. A beautiful yellow chenille bedspread, which was raffled was won by Miss Adele Castella, daughter of Mr and Mrs Jens Castella of Standard.

Mr and Mrs E. J. Jensen left Wednesday for the United States where they are going to spend the winter.

A large number of birthday parties were held this week. Among them were Miss Ella Jensen, Mr Roy Rasmussen, Miss Margaret Jensen and Mrs S. H. Rasmussen.

English Services were held in the church both Sunday morning and evening as Rev. Jorgensen from Brush, Colorado was installed as our new pastor. Rev. Rasmussen, Rev. Thorley and Rev. Hansen were the visiting ministers. The church was packed with people who came from near and far to become better acquainted with Rev. Jorgensen. His choir sang a lovely anthem, "Sun of My Soul", with Miss Marilyn Dahl and Mr Vernon Larson singing the solo parts.

Miss Marcene Easterbrook is staying with her aunt Mrs C. F. Dahl for the school term.

Messrs. Tommy Fraser, Gordon Rasmussen, Bud Schultz and Arnold Rasmussen left Sunday morning for Edmonton where they will attend the Jalopy Races. Tommy Fraser is entering his Model T and everyone is pulling for him. Good luck Tommy.

Combining is nearly finished around Standard and district. Reports are that the crops are testing better than was expected.

The pastorage is not nearly completed. Volunteers have been asked to donate all their spare time to finishing the house so that Rev. Jorgensen and his family can move in as soon as possible.

Sgt. Charlie Kimmitt of the U. S. Marine corps is home on a much deserved furlough. He has been stationed in the Hawaiian Islands and plans to leave for there again on or around November 1st.

A lovely shower was held in the church basement for Mrs Donald Newman (nee Elina Smith). The bride sweetly dressed in a dark green wool

WEDDING

BROWN — HILDAHL

A very quiet wedding was solemnized at Mount Calvary Lutheran Church Saturday, October 7th, at 7 o'clock in the evening when Ruth Mabel, third eldest daughter of Mr and Mrs A. E. Hildaahl of Strathmore became the bride of Roland Brown, youngest son of Mr and Mrs George Brown of Calgary. Both the bride and groom are employed at No. 5 EFTS, High River.

The bride chose for the occasion a light blue bunny wool suit dress with matching hat and black accessories. Her corsage was of dark red roses and forget-me-nots.

Mrs Fred Treare, sister of the bride, was matron of honor and wore a medium blue suit dress with black accessories. Her corsage was of tallman roses.

Mr L. Brown, brother of the groom was best man.

A reception was held at the home of the groom's parents for the immediate families. The bride's table was centered with a three tiered wedding cake and tall pink tapers, pink and white streamers and bows trimmed the rest of the table.

After a short honeymoon spent in Calgary the happy couple will reside in High River.

LIONS CLUB MEETING

The last meeting, Thursday, 5th of October, was unique in a number of ways.

1.—There were 9 members and 10 visitors present.

2.—Neither President, Secretary, nor Treasurer was on hand. The two first had a legitimate excuse but Lion Treasurer will have to explain his absence.

3.—For the first time in this district we had the opportunity of listening to a man who saw Service on "D" Day.

A fine supper had been arranged for by the catering committee. The enjoyment thereof, however, was somewhat marred by the fact that the coffee was execrable, as we know who was responsible. Of course, should have to explain.

Lion Chuck MacLean in a few remarks spoke of his pleasure at again being present among his fellow Lions.

Chief Petty Officer Lewis gave some of the highlights of the invasion of France emphasizing the part played by the Navy. Following his talk Mr Lewis answered a number of questions.

The next meeting will be Thursday, 19th October.

Mr. and Mrs. MacLean in a few remarks spoke of his pleasure at again being present among his fellow Lions. Chief Petty Officer Lewis gave some of the highlights of the invasion of France emphasizing the part played by the Navy. Following his talk Mr Lewis answered a number of questions.

Family Gathering At Silver Wedding

A very interesting and unique celebration of the Silver Wedding Anniversary of Mr and Mrs Duncan McMurray of Strathmore was held at their home Sunday afternoon and evening.

For the first time in 30 years all of the McMurray family except one were able to be present. These included Mrs T. Stoddart of Baltimore, Md., Mr C. R. McMurray, Chicago, Mr and Mrs T. M. McMurray, Vancouver, Mr and Mrs G. McMurray, Edmonton, Mr and Mrs A. McMurray and three children of Calgary, and Mr and Mrs O. McMurray and two daughters, Strathmore.

The absentee member was Mrs T. Stoddart of Durban, South Africa. Mrs McMurray's sister at Port Neuf, was unable to be present.

A few Strathmore friends were invited to join with the family and a very delightful afternoon was enjoyed.

The weather was perfect making a stroll out of doors very enjoyable. A profusion of flowers added to the attractive rooms. At the tea hour the guests were invited to the Tea room where a lovely three tiered wedding cake centred the artistically arranged table. A silver basket of Tallman roses and white tapers in silver holders completed the attractive setting.

Mrs McMurray of Vancouver did the honors at the Tea, while Misses Betty and Jean McMurray and Frances Gray served the guests.

Many reminiscences and good humored by-play on the attractions the different home cities of the various

guests had to offer interspersed with general conversation passed the hours all too quickly.

Later snap-shots of the entire party and various groupings of the families were taken on the lawn, with the stalwart maples and evergreens forming a fitting and stately back curtain.

Mr D. McMurray and Miss Ford were married in Port Neuf, Quebec, 25 years ago. They were on their 25th anniversary the recipients of many useful and beautiful gifts.

At the S. S. Service in the United Church, of which Mr McMurray is Superintendent, the pupils and teachers of the School gathered in the Church Auditorium when Rev. Hunt spoke words of deep appreciation to Mr and Mrs McMurray for their faithful services and on behalf of the School presented them with a very fine Family Bible.

Mr McMurray was deeply grateful for this expression from the Sunday School.

At the home the gathering of friends continued for three or four days, the last to break away being Mrs Stoddart and Mr McMurray of Chicago.

Calgary friends not of the family circle included Mr and Mrs Bennett, Mrs Romney and IAC. T. Manley.

LANGDON

— By M. E. M. —

A very enjoyable evening was spent at the home of Mrs. A. M. Watson on October 3rd, when the birthdays of Mrs. Watson and Mrs. Wm. Barrons were celebrated. Games and contests were held, the winners being Mrs. P. Thomas and Mrs. S. Speechly. After a delicious lunch, a presentation was made to each of the ladies who very graciously responded. The party came to a close by singing For They Are Two Jolly Good Fellows.

Miss Kathleen Jarvis and Miss Ena Thomas are attending Central High School in Calgary. Norman Whitney is taking a course in Petroleum Engineering at Mt. Royal College. Miss Jean Spankie who taught the Junior Room in Langdon for two years, is also enrolled at Mt. Royal, taking University work.

We are very pleased to report that James Lory and Clara Nicholson are recuperating after recent tonsil operations.

The children of Langdon and district have started back to school for the term. The teachers are Miss E. A. Reavely of Calgary as principal, and Miss A. Brander, Langdon, in charge of the Junior Room.

Mr and Mrs J. Haggerty and children left Langdon last week to make their home in Saskatchewan.

LAC Bill Ridley of No. 11 Training Station, Calgary, spent the week end with his friend Mr K. Moe.

The Women's Institute met at the Club Rooms on October 4th, with 16 members and one visitor present. War poems were given by all at the Roll Call. Mrs. C. Jessy and Mrs. D. Kernaghan were the hostesses and served a nice lunch. A special birthday cake was made by Mrs. Buntain for Mrs. K. Albertson whose birthday was celebrated, a box of candy being presented to her. Seven Christmas boxes are being sent to the Langdon boys who are overseas.

Mrs. Ota Pengelly of Stirling, Alta. visited Mrs. E. Bishop several days last week.

Mr and Mrs J. Brander left on Thursday for White Rock, B. C. where they have purchased a home. They have lived here for thirty years and the best wishes of the community go with them to their new home.

Mrs. K. Albertson was the guest of honor on Saturday afternoon, October 7th when her birthday was celebrated at the home of Mrs. E. Albertson who entertained fifteen ladies. Delicious refreshments including a beautiful birthday cake were enjoyed after a very pleasant afternoon of "just visiting." Mrs. Albertson who was 78 years young received many nice gifts for which she made a nice thank you speech.

The regular meeting of the W. I. was held at the home of Mrs. P. Hilton on September 28th. It was the occasion of the hostess' birthday and the many visitors took part in the Roll Call, which was "Embarrassing Moments", and much merriment ensued. The remaining articles were turned in for the ditty bag and Mrs. L. Hilton kindly offered to take them home and pack them.

The date for the bazaar was set for November 10th. A dish towel sale was held with Mrs. Lounabury making a very efficient auctioneer and the sum of \$11.55 was raised. A delicious lunch was served to 11 members and 20 visitors.

SEVENTH VICTORY LOAN

THE WAR is not yet won.

There will be urgently needed yet, tremendous supplies of food, equipment, munitions, ships, planes, and tanks, and men to use these. These all require money, hence the Seventh Victory Loan.

We are now emerging out of the woods, thanks to our gallant men who have carried on through four long and bitter years of struggle and to the thousands of munitions workers, builders of ships, tanks, planes, guns, uniforms and a thousand other accoutrements of war.

Also Canada has given her pledge to help largely in re-establishing the over-run countries of Europe. It is to

carry on all this gigantic work the Seventh Victory Loan is being issued.

You do not give your money—you only loan it, and no sounder backing can be given than notes on the Dominion of Canada.

But this is the mercenary attitude we do not like to stress when our boys are risking their all.

They are not asking for a safe and sure spot. Let us measure up to their calibre and give generously to the Loan to provide the tools they need to bring victory and home-coming sure and soon.

From Around
And About

— By D. A. F. —

WHAT DO YOU THINK of this one from "Time" magazine? A story is going to be told of a lanky, soft-voiced Texan in a large group of soldiers received by the Pope in a recent audience. First in line, he didn't quite know what to do when the Holy Father offered his ring to be kissed. So he shook the Pope's outstretched hand and said politely, as nice boys do in Texas, "Hi yah, Mister Pope."

INCREASED INTEREST is being shown in radio broadcasting by the United Church in Canada in a report presented by a Commission on Radio and the Church. The Commission recommended that the Church spend \$15.00 on radio next year. It was also suggested that suitable transcriptions be made for broadcasting in local areas and that an "aggressive programme of evangelization and education through broadcasting" be instituted. There is no doubt in my mind that the radio has the public ear to a far greater extent than the press has the public eye, only, of course, because it entails less effort. Ideas can now be brought into a man's front room by radio whereas in other days the man who would hear the words of others had to leave his easy chair for a hall where large gatherings could be held. This applies to education, politics, and religion and to the myriad other forces that would gain the attention of John Public. Do you ever stop to wonder what the future holds for the radio as the means of conveying ideas to the same John?

THREE AND A HALF years ago a mortgage company foreclosed on St. Mark's Cathedral, Seattle, Wash. A short time later the building was used by the army for an anti-aircraft school. On September 17th of this year the Cathedral was reopened and rededicated by the Bishop of Olympia. A great blot was hereby removed from the record of the Episcopal Church as the Bishop prayed, "As Thou didst put into our minds to build, so give us courage and strength to finish what we have undertaken. A splendid prayer for all of us in whatever walk of life we are engaged."

A CONFERENCE of Episcopal Church laymen held recently called for a "Christian celebration" of victory, with no "unbridled indulgence" such as marked Armistice Day, 1918. May we hope for a spirit of restraint as we mark V-Day with heartfelt thanks, here in Canada.

**You hold the mortgage
You collect the interest**

A Victory Bond is a mortgage on Canada... all of this country's resources guarantee payment of principal and interest. And money you lend to Canada, when you buy Victory Bonds, is the safest investment you can make.

You can borrow on Victory Bonds for seasonal farm requirements or any bank will pay cash for your bonds should you need cash at any time.

Money is a vital war weapon. Canada needs every dollar that every Canadian can save and lend... more than ever before. As the war increases in intensity, Canada's need for money increases, too. Our country's all-over borrowing needs are increased by over three hundred and twenty million dollars at this time. We must each be ready to lend again, and to lend more.

Thousands of small grains make a bushel of wheat. So with the money that Canada must borrow, from Canadians, to pay for the war: small sums loaned by individuals mount up to billions.

Lend all you can... money you have saved and money you can save... but do not think that small loans are unimportant. Put your savings into mortgages on Canada—marketable mortgages. You will be doing a worthwhile war job... and you will get your money back... with interest.

Victory Bonds will provide cash for farm improvements you plan to make when the war ends... new buildings... new machinery... better stock... cash to pay on a new car or a new home.

CANADA'S VETERANS Their Post-War Opportunities

The second in a series of advertisements to inform the people of Canada of plans to re-establish men and women of the armed forces. To get full details, save and read every advertisement.

For complete information, write for the booklet, "Back to Civil Life."

The War Service Gratuity and Re-establishment Credit— OTHER ASSISTANCE AFTER DISCHARGE

The Canadian re-establishment program gives discharged members of the services assistance under a wide variety of measures during the period when they are deciding their future as civilians.

THE WAR SERVICE GRATUITY

This became law at the last session of Parliament, and provides, after discharge, monthly payments to those honorably discharged, who enlisted for service anywhere, and to those who saw service in the Aleutian Islands, for their period of service there. It provides a basic gratuity of \$7.50 for each 30 days' service in the Western Hemisphere and \$15.00 for each 30 days' service overseas. A supplementary gratuity of seven days' pay and allowances, with Canadian subsistence allowance, is paid for each six months' overseas service. Service in Greenland, Iceland, the Aleutian Islands and any other theatre of war is overseas service. Other places in the Western Hemisphere are not. Aircrew, flying outside the Canadian waters, or stationed outside Canada or the United States, and Naval personnel in seagoing ships of war are regarded as on overseas service.

Monthly payments not exceeding monthly pay and allowances last received will start after January 1, 1945, unless the Act is proclaimed earlier.

RE-ESTABLISHMENT CREDIT

A re-establishment credit, equal to the basic gratuity shown above, and not including the supplementary one is available in the 10 years following discharge for constructive purposes such as purchase of a home, business, furniture or tools, or payment of premiums under Government life insurance. It can also be used for modernizing or repairing a home, for working capital paid while training or continuing education, or by grants paid under the Veterans' Land Act. Training, education and Veterans' Land Act grants cannot be paid if the re-establishment credit is used, unless an adjustment is made.

AT DISCHARGE

At discharge every man and woman is advised of the re-establishment program, is given a complete medical and dental examination, and may receive free treatment for any condition shown by the examination, in the year following discharge. They are allowed to retain one uniform and certain other service clothing. All discharged since August 1, 1944, receive a \$100 civilian clothing allowance and if they have 183 days' service and receive an honorable discharge, a rehabilitation grant of 30 days' pay and one month's dependents allowance. They also receive a railway warrant to their home or place of enlistment.

AFTER DISCHARGE

Service personnel seeking employment apply through Employment and Selective Service, but in many offices they will find Veterans' Welfare Officers and other specially trained staff ready to assist them. Veterans who wish to return to their former civilian positions are entitled to reinstatement in that position, if the job still exists, if they are capable of filling it, and if application is made within three months of discharge. Under the law of Canada every ex-service man or woman with overseas service, or disability pensioners, receive preference in Civil Service appointments if qualified for the position for which they apply.

VETERANS' WELFARE OFFICERS ARE STATIONED IN KEY CENTRES THROUGHOUT CANADA. THEY ADVISE AND ASSIST EX-SERVICE PERSONNEL, AND SHOULD BE CONSULTED ON ALL PROBLEMS.

PENSIONS AND NATIONAL HEALTH
